

WELCOME!

At Pflasterspektakel more than 100 solo artists and companies from all over the world present the diversity of street performing: comedy and clownery, juggling, acrobatics and dance, puppet and object theatre, magic, street theatre, aerial acrobatics, circus artistry, fire shows and music of all kinds.

Pflasterspektakel Linz guarantees high artistic quality and professionalism. During the 3 festival days performances at 40 locations in the city centre start every hour on the hour.

BUSKING MONEY & EXCHANGE SERVICE

Artists do not receive a fixed fee for their performances. The interaction with the audience is essential to street performing. This also includes to show your appreciation not just with applause. If you like the performances, we kindly ask you to reward the abilities of the extraordinary artists appropriately!

At the money **exchange service** next to Infopoint Hauptplatz, you can exchange big bills for small ones and coins. „No money, no music!“ they say in Upper Austria.

no money,

WHERE & when

Every morning the artists choose their performance locations and times for the respective festival day. In the **daily program** you find the performance schedule of each day and a map of the festival site. It is available in printed form at all Infopoints at the beginning of every festival day (Thu 4 p.m., Fri & Sat 2 p.m.) and can be downloaded from the website a little earlier.

The performances start every hour on the hour at 40 locations.

Program specials

In addition to performances on the streets and squares around the city centre, special programs can be discovered.

The **“Kaleidoscope”** revue shows at the LINZ AG Spectacle Tent take you on a journey through the variety of street performing. The venues **“Spectacle Oases”** are equipped with seating and are located away from the hustle and bustle of the festival. Special spots are reserved for **fire performances** starting at 8 p.m. and for **samba groups** throughout the day. The **“Children’s Spectacle”** is a huge playground for kids.

During the festival the Infopoints are the central spots for information, the daily program and questions of all kinds. They're marked with **i** on the map.

seating tickets

Due to the limited capacity and the great popularity, you need a free seating ticket for the **Kaleidoscope Nights** revue show in the LINZ AG Spektakelzelt. Seating tickets are only available for the respective day from the start of the festival at the Infopoint Hauptplatz. Remaining seats will be allocated on site directly before the start of the show.

Rain & THUNDERSTORM SPECTACLE

In the event of sudden thunderstorms and rain showers, the program will be paused. In the case of forecasted persistently bad weather, a reduced performance program can take place indoors. Bad weather programs are then available at the Infopoints and as download on the website. Either way you get up-to-date information at the Infopoints and on the website.
